SHARE CAPITAL AND VOTING RIGHTS

The share capital amounts to Euro 10,037,696.00, consisting of 15,909,400 ordinary shares with no par value; each share carries the right to one vote at the Shareholders' Meeting of the Company.

ENTITLEMENT TO ATTEND AND VOTE

Pursuant to Article 83-*sexies* of Legislative Decree No. 58 of 24 February 1998 (the "TUF"), entitlement to attend the Shareholders' Meeting and to exercise the related voting right is certified by a notice to the Company, issued by the intermediary in favour of the person entitled to vote, on the basis of the evidence in its accounting records as at the end of the 7th trading day preceding the date set for the first call of the Shareholders' Meeting (i.e. 1 November 2024 – record date). Credit and debit entries made to the accounts after that date are not relevant for the purposes of entitlement to exercise the voting right at the Shareholders' Meeting; therefore, those who become holders of the shares only after that date will not be entitled to attend and vote at the Shareholders' Meeting. The notice must reach the Company by the end of the 3rd trading day preceding the date of the Shareholders' Meeting (i.e. by 7 November 2024). Entitlement to attend the Shareholders' Meeting and to exercise the voting right remains valid if the notices reach the Company after that deadline, provided that they do so before the start of the meeting proceedings. Please note that the notice to the Company is issued by the intermediary at the request of the person entitled to vote. Holders of voting rights are required to instruct the intermediary that keeps the related accounts to send the above notice to the Company, failing which they will lose the right to attend. Any requests for advance notice from the intermediary, or any costs for the fulfilment of the intermediary's obligations, cannot be charged to the Company.
