For the services listed below which require the processing of personal data on behalf of the Customer, INTRED S.p.A. acts as Data Processor in accordance with the General Data Protection Regulation.

- Hosting
- Co – Location
- Mail

Pursuant to Article 28 GDPR, to which full reference is made, the Processor undertakes to comply with – and to ensure that all those acting under its direction in turn comply with – the obligations laid down by the data protection legislation in force.
Intred confirms that it meets the requirements of experience, capability and reliability set by privacy legislation and is therefore able to implement, among other things, appropriate technical and organisational measures to ensure that the processing of data is carried out in compliance with the principles of the law.
Intred guarantees the systematic and continuous control of security-related processes through the adoption of the technical and organisational measures provided for by its ISO 27001 certified management system.
